

## STATEMENT OF QUALITY ASSURANCE

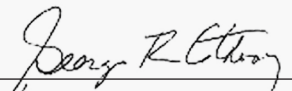

ASGCO® “Complete Conveyor Solutions” will supply our clients with solutions to their problems by using high quality, cost effective products and services. To accomplish this we will:

1. Manufacture products and provide services in accordance with agreed-to-specifications, standards and documented ASGCO® procedures.
2. Continually improve the consistency of all materials, processes, services and products.
3. Maintain an environment which encourages all employees to pursue continuous improvement in quality and productivity

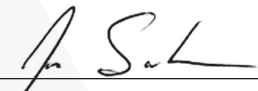

ASGCO®'s Quality Assurance Program, fully endorsed by top management, ensures that our policy is effectively implemented on a corporate wide basis.
